Actually, I'm working from home on Monday, so we can all call in on my conference line at:

3:00 works for me - if you need something later let us know. Otherwise, we'll plan on 3:00 Monday.

Have a great weekend!

Hi Shoren:

I got your voice mail but I'm now out of the office until Monday. Can we set up a time to chat on Monday afternoon? I want to pull in Chris Hunter who is in my branch and also working on Pebble issues. If you're around Monday, can we talk at either 1:00 or sometime after 3:00? Please let me know what works best for you.

Thanks,  
Stacie
